

OZARK NATURAL SCIENCE CENTER

CONFERENCE AND RETREAT RENTALS

Ozark Natural Science Center is a rustic retreat center with all the amenities! The 8,000 square foot Ewing Centre houses meeting and dining spaces, a professional kitchen with trained staff to take care of your every need, plus plenty of windows and decks to check out the amazing beauty of the Ozarks.

Whether you're planning an overnight retreat, a special event or a daytime conference or company meeting, ONSC is the perfect destination to "get away from it all" and still be within an hour of the major cities of Northwest Arkansas.

The gorgeous see-it-to-believe-it Ewing Centre and the Education Building have classrooms and flexible meeting spaces to meet your needs. Lewis Pavilion, Outdoor Classroom and Observation Deck offer additional multi-purpose spaces. ONSC's three lodges provide year around accommodations for up to 68 participants.

Eight miles of maintained hiking trails, creeks, and acres of wilderness lands give ONSC the feeling of being a faraway vacation spot.

From a lunch time meeting to a week long conference ONSC staff works with you to design a program that meets your needs.

We can tailor programs to fit your needs, or rent the space with a special liaison. You won't lose touch with the world -- unless you choose to -- because ONSC provides WiFi, cell phone service, audio/visual equipment, and more.

Ozark Natural Science Center is just down the road offering that unique, something different setting for your next meeting, retreat, conference or special event.
