

Help the Ozark Natural Science Center Earn Cash through Trash.

The Ozark Natural Science Center is 501(c)(3) (nonprofit) field science and environmental education and conference facility. ONSC offers summer camps, adult and family programming, and is best known as the site of life altering school excursions for public and private school students from throughout Northwest Arkansas and beyond. To learn more on how ONSC accomplishes the mission to *enhance the understanding, appreciation, and stewardship of the Ozark natural environment* visit www.onsc.us.

TerraCycle (www.terracycle.net) provides free waste collection programs for hard to recycle materials. They then turn the waste into affordable green products such as recycled park benches and upcycled backpacks. For each approved piece of non-recyclable waste that is collected through the TerraCycle brigade program ONSC earns money. TerraCycle has donated over \$1.5 million to designated charities, schools and other nonprofits. Please consider collecting items to benefit ONSC. Here's how it works:

Its simple:

1. Collect empty and clean items
2. Bring to Drop off site
3. We package and mail
4. Terracycle donates \$

Here are some common items to collect. Find complete list on reverse side.

Mars®/Wrigley® and Cadbury® candy wrappers

Capri Sun® and Honest Kids® drink pouches

Frito-Lay® chip bags

Any cell phone

Drop off at any of the following locations:

- Center For Non profits (1200 West Walnut St., Rogers)
