

FOR IMMEDIATE RELEASE

March 6, 2025

Experience the Wonders of the Outdoors at ONSC's 2025 Spring and Summer Camps!

HUNTSVILLE, AR (February 2025) – Ozark Natural Science Center (ONSC) invites young explorers to embark on an unforgettable outdoor adventure at our 2025 Spring and Summer Camps!

Our programs take campers beyond the classroom and into the wild, where they'll make friends, hike scenic trails, and uncover the secrets of the natural world.

Whether trekking through the forest, spotting wildlife on a night hike, or working together in team challenges, every moment is filled with discovery and excitement. With engaging activities like interactive experiments, thrilling outdoor games, nature art, and small-group explorations, our campers experience nature in a way they'll never forget!

With options for both day and overnight camps, ONSC ensures a unique and enriching experience for every young nature enthusiast.

Why Choose ONSC Camps?

- **Hands-on Science & Exploration** – Learn about biology, ecology, and geology in an interactive setting.
- **Outdoor Adventures** – Hike, play, and discover nature in a fun and engaging way.
- **Small Group Learning** – Foster friendships and teamwork through collaborative activities.
- **Scholarships Available** – We believe every child should have the opportunity to experience the magic of nature. [Apply Here](#)

Located between Huntsville and Eureka Springs, ONSC's main campus provides the perfect backdrop for overnight nature exploration, while our Lake Fayetteville site offers accessible day camp experiences for local adventurers.

###

The graphic features a large yellow sun in the background. At the top, it says 'OZARK NATURAL SCIENCE CENTER'. Below that, '2025 Spring Break' is written in a cursive font, followed by 'CAMP' in large, stylized letters with nature icons. Four speech bubbles provide details: 'SCHOLARSHIPS AVAILABLE!' (green), 'OVERNIGHT CAMP AT ONSC MAIN CAMPUS' (brown), 'MARCH 24-27' (orange), and 'DAY CAMP AT ONSC LAKE FAYETTEVILLE' (blue). At the bottom, there are four circular photos showing children engaged in various outdoor activities like hiking, sitting on the ground, and holding a turtle. The website 'WWW.ONSC.US/CAMPS' is printed at the very bottom.
